* Made User interface for various screens.
* Worked on Implementation of many Application programming interface (API's).
* Sign-in with OTP was implement using firebase.
* Used BLoC architecture in App.
* Google map was integrated with Google API.
URL : https://play.google.com/store/apps/details?id=com.vaapso.qme

Peppershades   Jan. 25, 2020 - May 3, 2020
Web Developer

Key Skills: HTML   CSS   Javascript   Bootstrap   Vue.js   GIT   Github   User interface

Peppershades is an web application made for designers looking for freelancing opportunities.
* Made user interface (UI) of various screens.
* Worked on implementation of Application programming interface(API).

Design Innovation Centres(DIC)   Jan. 6, 2019 - Jan. 10, 2020
Summer intern

Key Skills: Electrocardiogram(ECG)   electromyography(EMG)   AWS   Sensors   Microcontroller   Motors   Arduino programming

In DIC worked on a project named Bionic Prosthetic Arm in which we made electronic and mechanical arm for the handicap person which will work according to persons intentions as signals were taken directly from user head using sensors and controllers.

Robotics Lab ,UIET , PU   March 1, 2019 - April 10, 2019
Frontend Web Developer

Key Skills: HTML   CSS   Bootstrap   Materializecss   Javascript   GIT   Github

Have worked on website for robotics lab, UIET. College students used to issue various electronics and mechanical components , so to ease and digitalize this process this website was created. (Url : https://tarunjain3.github.io/website-page11/)

PROJECTS

Edulogical
April 17, 2021 - July 26, 2021

Mentor: Dr Nidhi Garg | **Team Size:** 6

Key Skills: HTML Application Programming Interface(API) CSS Bootstrap Javascript MongoDB NodeJS Express.js

Its an online web platform made for helping student by providing exam details with various resources and nearly available coaching centers for competitive exams.
url : https://edulogical.tech/

Software freedom day
July 4, 2019 - Sept. 20, 2020

Mentor: Mr Satyam | **Team Size:** 3

Key Skills: HTML CSS Bootstrap Javascript

Worked on website for Software Freedom Day(SFD) organized every year in panjab university to promote open source among students.
url : https://tarunjain3.github.io/SFD_2020/

Third eye
March 3, 2020 - April 1, 2020

Mentor: Mr Abhinav | **Team Size:** 4

Key Skills: Dart Flutter MongoDB Node.js HTML CSS Express Heroku Bootstrap GIT Github

third eye is a online Proctor app used for giving online exams. it uses facial recognition to ensure secure login of user and also marks attendance of student also prevents cheating or any illegal activities during exams.
URL: https://github.com/tarunjain3/Third-Eye-Project

Find Place app
Feb. 4, 2020 - Feb. 15, 2020

Mentor: Mr Digvijay | **Team Size:** 1

Key Skills: Flutter Dart Google API Firebase Google Maps

This app is made in flutter using google maps to search any location on map and detect current location of user.

Waste to worth
Jan. 10, 2020 - Feb. 1, 2020

Team Size: 6

Key Skills: HTML CSS Bootstrap Javascript

Made this website during SIH(Smart India hackathon) and ranked in the top 5 during campus round. In this, we made a platform where waste material can be listed and bought which can be used as raw material.
URL: https://tarunjain3.github.io/SIH2020/

ACHIEVEMENTS

- Finalist in Infosys Digital Makeathon 3.0
- Semi -finalist in Smart India Hackathon (SIH)
- State medalist in Taekwondo

SEMINARS / TRAININGS / WORKSHOPS

Product Design and Development Institute Name: Design Innovation Centre(DIC)
July 25, 2019 - Sept. 15, 2019

Key Skills: Product Design Public Speaking Presentation Skills Soft Skills Teamwork

Attended a workshop of Product design and development organized in UIET,PU

CO-CURRICULAR ACTIVITIES

- Core team member of programing club (Pclub) UIET, PU.
- Core Team member of Jugaad club(Robotics club of UIET, PU)
- Part of Core team of EARL (e-Yantra And Robotics Lab) UIET, PU

EXTRA CURRICULAR ACTIVITIES

- Organizing Committee member of Software Freedom Day(SFD) in 2019 & 2020.
- Member of event management team in Riyothon and Vimarsh (Annual fest of PU).
- I am part of organization named Mentors IPD where we used to educate young minds about ongoing tech.
